Thomas Carlyle Kindergarten - Volunteers needed

The Shed has been invited to undertake a range of tasks at the kindergarten which involves primarily painting, doorways, small furniture items and painting outdoor furniture and metal climbing frames. In addition there are some repairs which will involve carpentry and metal work.

The work can only be done on the weekend as the kindergarten must remain open Mondays to Fridays inclusive.

It is proposed that the work be undertaken on the weekends 21st and 22nd of June, and 28th and 29th June. (The work needs to be completed before end of June)

We will need teams of seven volunteers and a coordinator for each day (KC will do this). Work would commence at 9.30 am and cease at 3.00 pm. This provides a good opportunity to meet other shedders mix and share camaraderie.

If you are able to assist on any of the days please complete the sheet, in the lunchroom, registering your availability. Otherwise an email to kushed@bigpond.com will suffice indicating what days you would be willing to participate.

This is a significant opportunity for The Shed to earn income to assist in construction of the proposed extension. Your assistance is requested and would be much appreciated. We cannot commit to this work until we are assured of enough volunteers. If you are available only for a single day that would be fine. [Morning Tea and Lunch will be provided \(Olympia Seafood's Fish / hamburgers / steak sandwiches\)](#) as well as a bottomless cup of tea or coffee.

Expressions of Interest being sought for positions of Secretary and Treasurer

Succession planning requires that we need to plan for replacements in certain positions to be trained and ensure a smooth transition from one person to the other.

As both Secretary and Treasurer have indicated that they would like to stand down at the AGM and elections. It has been decided that we will invite expressions of interest from members for those positions

Interested members should contact the President Kevin Callinan[KC1] [KC2] 0412 488 742 to find out more information about each position and register their interest.

Suitable members will be invited to work alongside the existing Secretary and Treasurer to become familiar with the role and learn the relevant policies and procedures. The calling of Expressions of Interest does not in any way override the election process at the Annual General Meeting.
