The Kitchen alteration has commenced, courtesy of a generous donation by the Bendigo Bank; expertly project managed by Stephen Lloyd and Rob Lander with plenty of advice (welcome or not) by others. The office has been temporarily moved to the lunch room.....will keep you posted on the progress.

Following the success of our sets for the staging of the HMS Pinafore last year by the Gilbert and Sullivan Light Opera company, we were engaged to create a set to replicate Piazza San Marco in Venice. This will be used for the staging of The Gondoliers, which commences its season on September the 25th at Shore Lyric Theatre.

Chris Drake was the lead and main builder, assisted by other members of the Shed.

This effort brings in valuable revenue for our activities. Well done Chris and co
