Shed Cleanup - Next Thursday, the 17th of December

Like last year we are having a year-end clean up, so please come along, bring your cleaning aids, plastic bags and get our Shed ready for 2016.

Areas requiring attention include:

- Picture framing area and rack storage
- Orange pipe storage area
- Bill's area, storage rack
- Shelves above drop-saw
- Metal area
- Kitchen - everything to be put in the cabinets and not on benches or on top of cabinets. Clean up inside of 'old' cabinets. Remove small fridge and install microwave
- Tool store - for instance do we still need all the old green cordless drill boxes on top of the cabinets. Can we utilize these areas better?
- Good vacuum clean, nooks and crannies as well as floor scrub - will need cleaning aids and plastic bags

Surplus Equipment up for Grabs

As part of the cleanup, we have amassed a range of equipment and other pieces that are no longer needed, can go to a good home, attract a donation or RIP at Kimbriki. Please visit

Bunnings Discount Cards *

Kevin Jeffress, Tony Varrall, Malcolm Bailey, David Wood and Paul Schiebaan have a Bunnings Discount Card which provides discount on certain store items. If you need something from Bunnings you can BORROW the card, but please make sure you return it for the benefit of all Shedders.

* Please Note: Bunnings cards require payment with goods; ie they are Powerpass cards not credit cards. Members purchasing for the Shed can claim back expenses.
